

Membership packages

All of our offers of funeral warranties have 3 formulas by name Single, Duo and Family.

Rules :

Membership and registration in the association may require every adult person (18 years) of any nationality and religion.

It is not taken into account whether they are or not legally in the country of residence.

There is no age limit.

Each new member should submit a photocopy of their identity documents for registration.

No registration is registered without payment.

You pay only once for the registration in the association and it is independent of the package which you have chosen, and of the country where you are or whether you entered the company alone, as a couple or with the family.

Date of registration is introduced from the day when the payment is registered in the account of the association.

For each new member, funeral warranty shall enter into force 190 days after registration.

During this period, only traffic accidents and accidents at work are guaranteed, as well as unpredictable causes of death (heart attack and stroke, etc.).

LIPA Association stands behind each of their members and will be present with the family in the most difficult moments.

Single Formula

Single formula includes
an adult person (18 years old)
person of any nationality and religion
person with regular residence in Europe

The first entry in the membership will be charged at the price of € 58 for persons up to 65 years of age on the day of registration (Western and the rest of Europe).

The first entry in the membership will be charged at the price of € 38 for persons up to 65 years of age on the day of registration (for ex-YU countries).

See price list of entry for new members of over 65 years of age on the date of entry.

You pay only once for the registration in the association and it is independent of the package which you have chosen, and of the country where you are or whether you entered the company alone, as a couple or with the family.
